

Granville Volunteer Fire Department
Regular Meeting of Board of Directors
January 18, 2022

- **Call to Order: 6:39pm In house meeting**
- **Attendance:** Danial Sargeant, Victoria Crowne, Kira Sargeant, Brian Sargeant, Becky Yon (Nix- mascot)
- **Communications and Public Comment:** Rochester Fire Department was appreciative of our mutual aid response to a structure fire.
- **Run Review-**
 - Danial Sargeant did get in touch with West Minster Dispatch. They went through all their systems and everything seems to be working fine now despite not finding a problem.
 - Structure Fire in Rochester. This was the first big call using our new tanker and it performed well and kept pace with Rochester's tanker, which is a year older than ours.
 - Earlier this month we were plagued with radio issues, which spurred the chief to look into different dispatch options.
- **Fire and Rescue Training Report-**
 - Structure Fire Response training.
- **EMS training:**
 - By First of February we should get our emergency first responder certifications in.
 - Reviewed C-spine stabilization at our last training.

- **Financial Management-**

- Granville's appropriation is late so we assume we will see it in February.
- **2022-23 budget-** has been turned in to the town.
- Discussion at the last town meeting regarding Insurance coverage on the tanker led to the town of Granville looking into coverage through VLCT

Apparatus Maintenance: Rescue truck passed inspection.

- **Old Business-**

- **Undercoating Trucks:** No updates
- **Snowshoes and winter gear-** No updates
- **Building:** Danial spoke at the selectboard meeting about the building. No votes were cast. Danial Sargeant was told we could go forward if we wanted with the PERC test. We will arrange for a time for the waste-water engineer, Danial Sargeant and the selectboard to walk the property.
- Fundraising letters are in process.
- **Recruiting- Fire department:** No updates
- **NEW BUSINESS:**
 - **Dispatching:** Orange County Sheriff and Middlebury Ambulance responded. Both are interested in taking our account.

- THE TEAM WAS CALLED OUT TO AN EMS CALL MEETING ADJOURNED
 - February 15th, 2022 moved to approve as amended without objection.
 - NO motion moved to adjourn or 2nd
 - February 18th, 2022 @ 6:30 PM

Respectfully submitted by Victoria Crowne
